Summary

Kaneki, an average student, is fated to live as a Ghoul when Rize's organs are transplanted into him. While questioning and struggling with the existence of creatures that take human lives to survive, he searches for how the world should be. One day while at Anteiku, he is abducted by the Aogiri Tree. While being held captive and viciously tortured by Yamori, he accepts that he is a Ghoul. He later relocates to the 6th Ward with Tsukiyama and Banjo in pursuit of Dr. Kano, the doctor who turned him into a Ghoul. However, after acquiring an uncontrollable power gained from feeding on his own kind, he wounds a friend. Upon the advice of others, he decides to return to Anteiku. But now the CCG has finally tracked down the suspected leader of the Aogiri Tree, the Owl!
